

J&J Service and Parts News

January 1995

Volume 1 Issue 2

ATTENTION

PRODUCT UPDATE:

A warning decal with rules and regulations has been added to the inside body for the ease and convenience of readability for the customer. This new decal is now standard equipment on J&J karts.

If your J&J Go-Karts do not have this decal it will be supplied to you at no charge.

 WARNING
<ul style="list-style-type: none">• Driver must be 58 inches tall.• Shoes and shirts must be worn.• All loose clothing and hair longer than shoulder length must be secured.• Keep both hands on steering wheel and both feet in Kart at all times, unless otherwise instructed by attendant.• One person per restraint.• Restraint must be worn at all times when in Kart.• Do not bump, skid, or slide Karts.• Riders must remain seated at all times unless instructed by attendant.• No one under the influence of drugs or alcohol is allowed to ride.• This ride is not recommended for individuals who have heart problems, neck or back problems, or pregnant women.• Participate at your own risk.
